

A vibrant purple and gold poster for Carnival 2018. The background is a deep purple with a repeating pattern of small, intricate floral or mandala-like designs. At the top, a horizontal gold line with decorative swirls and dots runs across the width. Below this, two large, ornate masquerade masks are positioned on either side of the central text. The masks are dark purple with gold outlines and features, including a small gold ring at the bridge of the nose and a cluster of purple and blue feathers on top. The word "Carnival" is written in a large, elegant, white cursive script. Below it, the year "2018" is written in a bold, white, sans-serif font. Another horizontal gold line with decorative swirls and dots runs below the year. At the bottom of the poster, a large, intricate, gold-colored mandala or peacock tail fan design is partially visible, arching upwards. The overall aesthetic is festive and celebratory.
