## Toxic

Baby, can't you see I'm calling?  
A guy like you should wear a warning  
It's dangerous, I'm falling  
There's no escape, I can't wait  
I need a hit, baby, give me it  
You're dangerous, I'm loving it  
Too high, can't come down  
Losing my head, spinnin' 'round and 'round  
Do you feel me now?  
With a taste of your lips, I'm on a ride  
You're toxic, I'm slippin' under  
With a taste of a poison paradise

I'm addicted to you  
Don't you know that you're toxic?  
And I love what you do  
Don't you know that you're toxic?  
It's getting late to give you up  
I took a sip from my devil's cup  
Slowly, it's taking over me  
Too high, can't come down  
It's in the air and it's all around  
Can you feel me now?  
With a taste of your lips, I'm on a ride  
You're toxic, I'm slippin' under  
With a taste of a poison paradise  
I'm addicted to you  
Don't you know that you're toxic?  
And I love what you do  
Don't you know that you're toxic?

## Umbrella

Uh-huh, uh-huh (yeah, Rihanna)  
Uh-huh, uh-huh (good girl, gone bad)  
Uh-huh, uh-huh (take three, action)  
Uh-huh, uh-huh (Hov)  
No clouds in my stones  
Let it rain, I hydroplane in the bank  
Coming down with the Dow Jones  
When the clouds come, we gone, we Roc-A-Fella  
We fly higher than weather, in G5's or better  
You know me (you know me)  
In anticipation for precipitation, stack chips for the rainy day  
Jay, Rain Man is back  
With Little Miss Sunshine, Rihanna, where you at?  
You have my heart  
And we'll never be worlds apart  
Maybe in magazines  
But you'll still be my star  
Baby, 'cause in the dark  
You can't see shiny cars  
And that's when you need me there  
With you, I'll always share  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh

Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
These fancy things  
Will never come in between  
You're part of my entity  
Here for infinity  
When the war has took its part  
When the world has dealt its cards  
If the hand is hard  
Together we'll mend your heart  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
You can run into my arms  
It's okay, don't be alarmed  
Come into me  
There's no distance in between our love  
So gonna let the rain pour  
I'll be all you need and more  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever

Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
It's raining, raining  
Ooh baby, it's raining, raining  
Baby, come into me, come into me  
It's raining, raining  
Ooh baby, it's raining, raining  
You can always come into me, come into me  
It's pouring rain, it's pouring rain  
Come into me, come into me  
It's pouring rain, it's pouring rain  
Come into me, come into me

## Toxic

Baby, can't you see I'm calling?  
A guy like you should wear a warning  
It's dangerous, I'm falling  
There's no escape, I can't wait  
I need a hit, baby, give me it  
You're dangerous, I'm loving it  
Too high, can't come down  
Losing my head, spinnin' 'round and 'round  
Do you feel me now?  
With a taste of your lips, I'm on a ride  
You're toxic, I'm slippin' under  
With a taste of a poison paradise  
I'm addicted to you  
Don't you know that you're toxic?  
And I love what you do  
Don't you know that you're toxic?  
It's getting late to give you up

I took a sip from my devil's cup  
Slowly, it's taking over me  
Too high, can't come down  
It's in the air and it's all around  
Can you feel me now?  
With a taste of your lips, I'm on a ride  
You're toxic, I'm slippin' under

## Umbrella

Uh-huh, uh-huh (yeah, Rihanna)  
Uh-huh, uh-huh (good girl, gone bad)  
Uh-huh, uh-huh (take three, action)  
Uh-huh, uh-huh (Hov)

No clouds in my stones  
Let it rain, I hydroplane in the bank  
Coming down with the Dow Jones  
When the clouds come, we gone, we Roc-A-Fella  
We fly higher than weather, in G5's or better  
You know me (you know me)  
In anticipation for precipitation, stack chips for the rainy day  
Jay, Rain Man is back  
With Little Miss Sunshine, Rihanna, where you at?  
You have my heart  
And we'll never be worlds apart  
Maybe in magazines  
But you'll still be my star  
Baby, 'cause in the dark  
You can't see shiny cars  
And that's when you need me there  
With you, I'll always share  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
These fancy things  
Will never come in between  
You're part of my entity  
Here for infinity

When the war has took its part  
When the world has dealt its cards  
If the hand is hard  
Together we'll mend your heart  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
You can run into my arms  
It's okay, don't be alarmed  
Come into me  
There's no distance in between our love  
So gonna let the rain pour  
I'll be all you need and more  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end

Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
It's raining, raining  
Ooh baby, it's raining, raining  
Baby, come into me, come into me  
It's raining, raining  
Ooh baby, it's raining, raining  
You can always come into me, come into me  
It's pouring rain, it's pouring rain  
Come into me, come into me

Let it rain, I hydroplane in the bank  
Coming down with the Dow Jones  
When the clouds come, we gone, we Roc-A-Fella  
We fly higher than weather, in G5's or better  
You know me (you know me)

In anticipation for precipitation, stack chips for the rainy day  
Jay, Rain Man is back  
With Little Miss Sunshine, Rihanna, where you at?  
You have my heart  
And we'll never be worlds apart  
Maybe in magazines  
But you'll still be my star  
Baby, 'cause in the dark  
You can't see shiny cars  
And that's when you need me there  
With you, I'll always share  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
These fancy things  
Will never come in between  
You're part of my entity  
Here for infinity  
When the war has took its part  
When the world has dealt its cards  
If the hand is hard  
Together we'll mend your heart  
Because  
When the sun shine, we shine together

Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
You can run into my arms  
It's okay, don't be alarmed  
Come into me  
There's no distance in between our love  
So gonna let the rain pour  
I'll be all you need and more  
Because  
When the sun shine, we shine together  
Told you I'll be here forever  
Said I'll always be your friend  
Took an oath, I'ma stick it out to the end  
Now that it's raining more than ever  
Know that we'll still have each other  
You can stand under my umbrella  
You can stand under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh  
Under my umbrella, -ella, -ella, eh, eh, eh, eh, eh-eh  
It's raining, raining  
Ooh baby, it's raining, raining  
Baby, come into me, come into me  
It's raining, raining  
Ooh baby, it's raining, raining

You can always come into me, come into me  
It's pouring rain, it's pouring rain  
Come into me, come into me  
It's pouring rain, it's pouring rain  
Come into me, come into me
